

Something about this guy

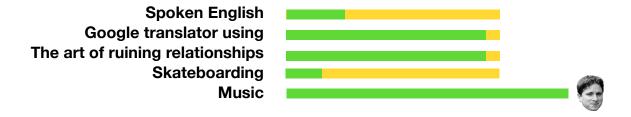

Its just a regular every day normal .. guy who the most understand software. This boy wants to be as creative as possible, but if you want classic boring CV he can send that, but he also don't think it will work for us together.

His skills and experiences

- Programming knowledge

- Other skills

Unimportant informations

- Education

Nothing to do with software development, I'm just an electrician.

- Previous jobs

Nothing to do with software development, I'm just an electrician.

(salesman, internet connection technician, electrician,
